WHOLESALE
GREETING CARD
CATALOGUE

Eli the Goat is a greeting card brand which produces joyful and quirky cards for all occasions. We are based near Hampton Court Palace in Surrey.

With a love and an appreciation of design, illustration, and all things nature, Lauren launched Eli the Goat in 2020, and takes inspiration for new designs from nature, flora and fauna, travelling and outdoor adventures.

Each greeting card begins life as a hand-drawn illustration, which is then digitally embellished, before being printed in the UK.

Lauren grew up in a small, semi-rural village in Nottinghamshire surrounded by animals, and now lives in Surrey and works in London as a practicing architect.

OUR GREETING CARDS

Each greeting card measures 148mm x 148mm and is printed on 350gsm, FSC certified, uncoated board, and is paired with a recycled kraft envelope.

Our cards are supplied without cellophane sleeves as standard, but can be supplied individually packaged in biodegradable sleeves if required.

If cards are supplied without cellophane sleeves, the card and envelope are secured together with an easy peel card-catch sticker.

We are inspired by nature and want to protect it - we always use recycled papers and boards, packaging and tape. Please see www.elithegoat.com for our full range of cards and our 'Green Statement.'

ELI

Eli was a sweet natured pygmy goat who lived in a little paddock next to the River Ryton in Shireoaks, Nottinghamshire. He was a much loved family pet, born at Lauren's family home to Doris and Patrick, his pygmy goat parents.

Many adventures were had in and around the paddock.
Eli sadly passed away in 2019 but his legacy lives on.

CHARITY

For every unit of greeting cards sold 10p will be donated to charity.
Please see our website for details of our chosen charities.
